

Philemon Falcons Hockey

September 28, 2016

Dear Parents and/or Guardians,

The Philemon Falcons hockey coaching staff want to thank you for your continued support as we enter a new hockey season. Our Philemon Hockey Team has once again joined the RSEQ Juvenile league for the 2016-2017 season. Most of our games will all take place at the Branchaud-Briere Arena in Gatineau, as well as some in Val Des Monts.

The league schedule for the RSEQ is as follows:

Tournament Dates

Nov 4	Location TBD
Nov 18	Location TBD
Jan 9	Location TBD
Feb 6	Location TBD
Mar 24	Location TBD
Provincials	TBD

PW hockey will have a total of (12) practice times this year.

We may have additional tournament dates TBD in cooperation with other schools.

Our coaching staff understands that our players have commitments outside of the school with other hockey teams, sports, piano lessons, school work etc. With that said, we are still asking for a high degree of commitment from the players. We do consider them student-athletes with the word "student" coming first, but believe that being a part of the team can provide them with increasing their time management, leadership, sportsmanship, team play, and hockey skills. Please let us know as soon as possible if there are any conflicts with any practices or tournaments.

Games: It's the Parents/Guardians duty to transport the athlete to and from tournaments. Students must be supervised during the day of the tournament.

Students must check in with their teachers the week before a tournament and receive any work they will be missing. Tests must be arranged with the teacher. If any student is caught not checking in with a class they will miss, they may be temporarily suspended from the team. Academics are the first priority!

Practices: Parents/Guardians may drop the athlete & equipment off the morning of the practices, however the drive to school must be pre-arranged by the family. We have a room where we can lock up the bags and sticks at school if needed.

Parents/guardians may pick the students up and transport them; however students cannot drive themselves at any grade level. Practice dates may change, but students will be notified should this happen.
