### Sport Etudes:

Sport Etudes is a partnership between a Quebec sports federation, a school board & the Ministry of Education (MEES).

### Criteria:

- The entrance criteria, training schedule, and fees for the sport are decided by the sports federation
- The school decides the entrance criteria and the performance criteria thereafter
- The goal is to make it easier for elite athletes to balance the rigorous demands of training and academics

### What families need to do before registering with the school:

- Students need to be performing at a high level in an accredited Sports-Etudes sports association
- Parents need to reach out to the appropriate association
- Students need to try-out for the association
- If accepted, parents need to work out cost, transportation and training details with the association
- The association has to contact the school to verify that the student has been accepted (email or phone)
- Parents complete the registration form

### What families need to know when registering at the school:

- Student needs to be Bill 101 approved
- Confirmation from an accredited Sports-Etudes sports association stating the student is an officially recognized Sports-Etudes student
- The completed registration form and commitment form needs to be brought to registration at the school
- Deadline has been extended to March 27<sup>th</sup>
- If a student drops out of the program for extenuating circumstances they are not guaranteed a spot in the Enriched French Program

École Hadley Junior High School  
Tel: 819-776-3158

## Checklist for the Sport-Études Program 2020 - 2021

École Philemon Wright High School  
Tel: 819-776-3158  
Fax: 819-776-1107  
e-mail: pwhs@wqsb.qc.ca  
www.hadleypwhs.com

### What are the options?

- We need to have 25 Sports-Etudes students in each school to offer the program (25 at Hadley and/or 25 at Philemon)
- We need 20 Sports-Etudes students for a grade level group to run (no split classes)
- Students will have one teacher for all subjects except French
- We can only offer Core French – Enriched French is not an option

\*\* If we only have enough students to run one grade level we need to have 25 students to meet the 25 students as a school criteria.

### Families need to consider:

- Students need to be aware that they will only see friends outside of the program before school and at break. Students are in class during Hadley lunch and they leave the school for their sport right after P4. The students cannot take part in lunchtime activities.
- Academics come first. If a student is falling behind, they will need to stay for remediation in the afternoon when the teacher is available.
- The student are expected to follow the mid-year exam schedule the other grade level students are following.
- This is an accelerated program. It is difficult and students have to be prepared and able to handle a condensed curriculum. At times this may include additional homework demands.
- If numbers drop below the minimum amount (20) before September 30<sup>th</sup>, the program will be cancelled.

We are re-opening registration for our sport-études program for the 2020-2021 school year in hopes of increasing enrolment. Registration to the program will be on a first-come-first-serve basis. **All students must re-submit their registration as there are changes to the registration form.** Students who have previously registered will be given priority. If you would like to register your child please return the following form to Correne Giles (originals are required and can be dropped off at the main reception). Registration deadline is Friday, March 27<sup>th</sup> at 3:30 PM.

More information about the program can be found at <https://westernquebec.ca/registration/sport-etudes/>. If you have any questions about the program please contact Correne Giles (cgiles@wqsb.qc.ca). If you have any questions regarding eligibility please contact Dianne Miljour (dmiljour@wqsb.qc.ca).

After reading Hadley and Philemon’s sport-études checklist and completing the registration form, this letter of commitment confirms our dedication to the sport-études program for the 2020-2021 school year. If, after the registration closes, Hadley and Philemon schools move forward with offering the sport-études program, this letter of commitment indicates that \_\_\_\_\_ will remain in the sport-études program as registered. We understand that any changes to our decision, prior to September 30<sup>th</sup>, will impact the other students in the sport-études cohort and may result in the program being closed due to insufficient enrolment. Registration to the other programs of study at Hadley and Philemon (such as the enriched French program) are based on availability and cannot be guaranteed if we change our decision about programing following our commitment to the sport-études program.

This letter of commitment must be signed and returned with the sport-études 2020-2021 registration form before 3:30 PM on Friday, March 27<sup>th</sup>.
